The Golf Academy Borneo (GAB) located at Sutera Harbour Resort, Kota Kinabalu, Sabah, Malaysia was established in 2009 by Neil Douglas, a British PGA Professional.

Neil was joined thereafter by Fraser Pook and Rory Young, both British PGA Professionals. They bring with them tour playing experience and offer their expertise and insight in swing theory, video analysis, custom club fitting and equipment checks.

We provide individual and group tuition for guests who wish to learn the game of golf in a short period of time. Our programs are designed to accommodate golfers to fulfil their potential in a relax and enjoyable atmosphere.

Sutera Harbour Resort offers first-class teaching facilities with a 42 bay floodlit driving range, 10,000 sq ft putting green, awkward lie area, practice bunker and grass tee. The grass tee gives the golfers a more realistic teaching experience making it easier to transfer your game from the driving range to the golf course. Each student or group will have a personalised programme that fits their golfing needs.
